<input type="checkbox"/> Property appraisal	<input checked="" type="checkbox"/> Roof system design	<input type="checkbox"/> Space planning / programming

General Statement of Professional Experience (written by firm)

Allied Engineering, Inc has been providing full-service engineering throughout New England since 1958. Our expertise lies with the design of new and/or evaluation of existing building systems requiring renovation/upgrades. Our range of experience covers commercial, municipal, residential, medical and federal and light industrial buildings. Over the years, we have performed reroofing/structural upgrade evaluations and designs on behalf of BGS on hundreds of roofs around the state. Additionally, we have provided Boiler or HVAC upgrades, IAQ evaluations, Electrical systems evaluations, fire alarm studies, etc. AEI currently holds term contracts for full-service A/E Design services with the US Postal Service (ongoing for the past 24 years) and with the Maine Department of Transportation (ongoing for the past 9 years). In each IDIQ contract, AEI is prime consultant.
